

Douglas Thomas, PhD, LCSW
Directions to Office
95 N. Marengo Avenue, Suite 200
Pasadena, CA 91101

The office is located in a historic brick ivy-covered building on the northwest corner of Marengo and Holly Street.

Parking

There is street parking on both Marengo and Holly, which is metered until 6pm and is free thereafter. Parking on Marengo between Walnut and Holly is free on Saturdays. Please be sure to check posted signs to confirm metered periods where you park. There is also a city lot across the street from the building on the corner of Holly Street and Arroyo Parkway that charges an hourly rate. The building does not validate for parking.

Directions to Suite 200

Enter the building through the courtyard on Holly Street (you can also access the courtyard through a gate on Marengo). Take the elevator to 2B (not 2A). Turn left as you exit the elevator. The door to Suite 200 will be straight ahead of you. Proceed to the waiting room at the end of the entry hallway. Check the directory of therapist names next to the call lights for the number that corresponds to my name (number 5), and turn on the signal to indicate you've arrived.

Phone

If you have any problems with parking or directions, you can call me at (626) 524-2406. As long as I'm not in session, I'll be happy to answer your call.
